

Ponds and Irrigation Committee

Minutes of meeting of November 7, 2019

Present: Karen Windau, Ray Buckley, Kurt TeKolste

Called to order at 12:05PM

This was an abbreviated meeting due to the difficulty of getting a full committee together.

Action:

- Approved payment of Hydroscares for repair work and closing of the irrigation system.

Noted:

- Need to watch potential leak at the front of the clubhouse and the leak repaired by Hydroscares to make sure that it is completely repaired in the spring.
- Need to check the rotors near the guardhouses on Eden and Fairmont in the spring to make sure that they are no longer soaking the guardhouse doors.
- Reminder that the Phase 4 pond will be treated for phosphorus early next year.
