

Emergency Information for Both Clubhouses:

There is an AED (automated external defibrillator) at each clubhouse. The AED at the Sloan clubhouse is located on the main level next to the coat closet. The AED at Regency Hills is located on the lower level at the bottom of the steps on the right side.

If you are going to the clubhouse to exercise, swim, play cards, table tennis, or attend an activity, we encourage you to BRING YOUR CELL PHONE with you at all times.

Sloan Clubhouse: 199 Sloan Road, Phoenixville, PA 19460

There are three (3) 911 phones: On the lower level there is a phone in the Gym (exercise equipment room) and one in the vestibule going into the indoor pool. On the first floor, it is located in the hall outside the main clubroom. If there is an emergency, please go to the phone and dial 911 to state your emergency. These phones will not dial any other number.

There is an emergency call button in the elevator.

First Aid Boxes are located in the kitchen, hallway leading into gym, and at the indoor pool. In addition to band aids, topical ointments, etc., there are glucose tablets.

Regency Hills Clubhouse: 608 Regency Hills Drive, Collegeville, PA 19426

There two (2) 911 phones. One is in the kitchen next to the microwave and the other is in the lower level at the bottom of the steps. If there is an emergency, go to the phone and dial 911 to state your emergency. There are also two green Emergency buttons each encased in a clear plastic box. On the first floor, it is located in the main clubroom next to the thermostat. On the lower level, it is on the wall at the bottom of the stairs. If you press this button, it automatically rings to our Security Company who in turn will send the police. **However, the fastest way to get emergency service is to call 911.**

There is an emergency call button in the elevator.

First Aid boxes are located in the main clubroom and in the gym. In addition to band aids, topical ointments, etc., there are glucose tablets.
